

APPLICATION FOR PROPOSED MEMBERSHIP

To ensure enjoyable tennis for all, our prospective new senior members are asked to participate in a playing-in session to clarify standard of play and be assessed for the appropriate membership category. A Full Membership entitles a member to join in Club Sessions (Tuesday mornings, Thursday evenings and Saturday afternoons) when a pegboard system is in operation. Some categories of membership may suit your particular style of play, therefore on playing in, a Committee member will guide you to the section of the club which best suits you.

Please complete the application form below and contact either **Nikki Constant 01737 245547**, **Frank MacDonald 07759596687** or **James Smith 07921721041** to arrange a time when a member of the Tennis Sub-Committee can meet with you and have a game. For **Junior Tennis** enquiries please contact: Maureen Pinnegar **Tel: 01737 240607**
